

Star-delta switch SDS 11

B111151

Product Information Sheet

Technical data	B111151
Power input	11 kW

Product Description

Fact Sheet

- Ready to install, completely wired
- Integral motor protection and low voltage circuit breaker ensure a high degree of operating safety
- Integrated solenoid-valve activation for simplified connection of start and stop relief
- Main switch with emergency stop function
- Protection category IP 54
- With operating hours counter
- Electrical connection 400 V/50 Hz (three-phase current)

Star-delta switch SDS 11 B111151

Product Information Sheet

With operating hours counter

Protection category IP 54

Main switch with
emergency stop function

Electrical connection
400 V/50 Hz (three-
phase current)
