

Air hose reel SLA 8-10 A D312512

Product specification sheet

Technical Data	D312512
Operating pressure:	0 - 15 bar
Hose outer diameter:	12 mm
Hose inner diameter:	8 mm
Hose length:	10 m
Length of connection hose:	1,5 m
Temperature range:	-5°C - +50 °C
Dimensions (WxDxH)	350x290x160 mm
Weight:	4 kg
Material of hose	TPU

Product description

Fact Sheet

- Fully equipped & ready-to-connect: air hose reel with quick coupling and 1,5 m connection hose with plug connection
- The air hose reel is suitable for many purposes e.g. in garages and petrol stations as well as in the wood and industrial sector
- Sturdy plastic housing protects the hose from dust and damage by extraneous cause
- Abrasion-proof and super elastic, silicon free compressed air hose made from TPU with an inner layer of woven fabric

Air hose reel SLA 8-10 A D312512

Product specification sheet

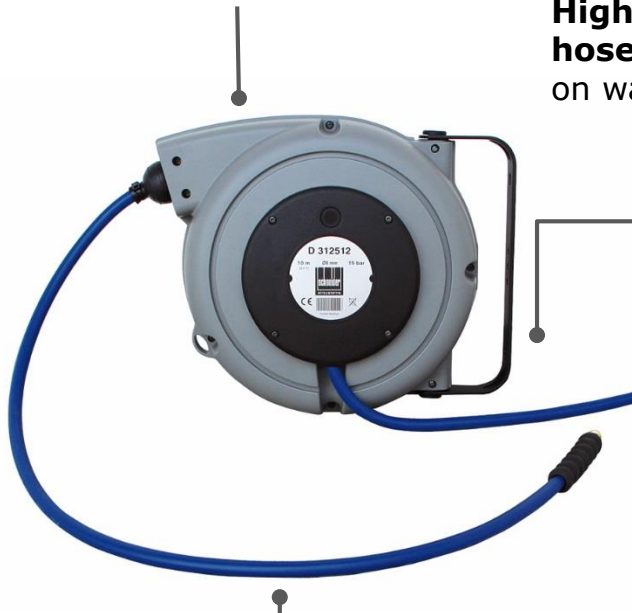

Fully equipped & ready-to-connect:

air hose reel with quick coupling and 1,5 m connection hose with plug connection

Long service life due to abrasion-resistant and elastic hose with anti kink spring

Highly versatile air hose reel easy to install on wall and ceiling

Makes work less tiring

thanks to wall mounting rotatable bracket (150 degree) and lock ratchet can secure hose each 30 cm. If desired lock can be deactivated.

Sturdy and lightweight plastic housing protects the hose reel against damage and dust
