

# Random orbital sander ES 150-5

## Product Information Sheet

Part number	D322720
Base unit number	T400060
Pad size	150 mm
Stroke diameter	5,0 mm
Vacuum	Central vacuum
Ø Vacuum hose	27 mm
Motor speed	12.000 U/min
Maximum pressure	6,3 bar
Sound level according to EN ISO 15744	84,1 dB (A)
Vibration according to EN ISO 8662	3,73 m/s <sup>2</sup>
Weight	0,84 kg
Air consumption	416 l/min
Date	05.09.2011/ Jany

## Product description

### High operations efficiency with sanders from Schneider airsystems

- Low operation cost due to low air consumption
- No reworking or imperfection as sander diameter is easy to identify
- Perfect view on work piece due to narrow collar
- Long working hours possible as sanders have low vibrations
- BG (Government Safety Organization) conformity according to 2002/44/EG
- High durability because of proven Schneider quality – 1+2 year warranty free of charge when registered online
  
- Fits for standard 15-hole, 8-hole and 6-hole sanding paper
- Available in 2,5 mm & 5mm sander diameters with 150 mm pad
