

Condensate discharger KAL-Ecomat 3100 D605023

Product Information Sheet

Technical data	D605023
For suction capacity	2500 l/min
Weight	0.80 kg
Compressed-air supply	G 1/2"i
Dimensions (WxDxH)	149x65x118 mm

Product Description

Fact Sheet

- Automatic drainage of generated condensate reduces service intervals
- Permanent drainage of aggressive condensate preserves the vessel and extends its service life
- Less air loss due to electronic level measurement function
- For all applications up to 16 bar

Condensate discharger KAL-Ecomat 3100 D605023

Product Information Sheet

Ready to install with 2.5 m connection cable

Compact design

Permanent drainage of aggressive condensate preserves the vessel and extends its service life

Less air loss due to electronic level measurement function
